Course Level: Intermediate • Prerequisite: None • Field of Study: Accounting

2 CPE CREDITS

Who Will Benefit

Professionals that prepare or audit state or local government financial statements.

Program Overview

Governmental Accounting Standards Board (GASB) Statement No. 72, *Fair Value Measurement and Application*, affects virtually all state and local governments and its implementation has raised many practical questions for financial statement preparers. This two-hour interactive training session will combine lecture and exercises to review the key elements of the new standard, placing special emphasis on the practical implementation challenges that face financial statement preparers and how to resolve them.

Seminar Objectives

- Review the requirements of GASB Statement No. 72;
- Clarify some misunderstandings that have arisen regarding its provisions; and
- Provide practical answers to common questions raised by those attempting to implement the new standard.

Instructor

Stephen J. Gauthier, Director, Technical Services Center, Government Finance Officers Association, Chicago, Illinois

It's Easy to Participate

- The GFOA's Internet training is delivered to attendees via a secure website and audio conferencing service.

Equipment Needed

- A computer with a Web browser to view the presentation. If you have speakers for your computer, you will be able to listen to the training using them.
- If you do not have speakers for your computer, you will need a phone to listen to the presentation. (Speaker phone recommended, but not required.)

How It Works

- Participants will receive an e-mail invitation containing a link with instructions at the beginning of the week the course will be taking place from the e-mail address messenger@webex.com. (Please add this e-mail address to your "allowed senders list.")
 - Materials can be viewed on a secure Internet site.
 - Questions can be asked at any time during the course, and interactive exercises will test your mastery of the material.
 - To join the event more quickly, you can set up Event Manager before the event starts. Go to: <https://gfoa.webex.com/gfoa/ecsetup.php?frommail=1>.
